

DESIGN OPTIONS

At Carriage House every garage door is unique. Choose from templates of traditional designs and specific period styles, or create a design that's yours alone. You can select from vertical grain clear western red cedar, select tight knot incense cedar, mahogany, vertical grain douglas fir, or clear heart redwood — when you choose a wooden door. Then customize further with finishes and decorative hardware — everything down to the smallest detail — to suit your choice.

When it's a Carriage House door, the possibilities are unlimited...the results striking.
